THURSDAY September 16, 2010

- Task 4: GCF communications strategy & stakeholder involvement in GCF process .
- Task 2: public financing opportunities for GCF member states and provinces

Santarem Meeting Objectives

- Review GCF Objectives, Governance, and Related Issues
- Assess Task 1-4 Achievements and Clarify Deliverables/Timeline Moving Forward in 2010 (Santarem to COP-16)
- Develop GCF plan/priorities for 2011 and beyond

Secretariat

Initial Thoughts: 2011 Priorities

● Substantive

- Accessing Interim Public Finance
- Building Model REDD Programs
- Developing linkage arrangements with emerging compliance markets
- Identify and push pilot activities in key areas (e.g., innovative benefit sharing frameworks; community participation etc.)

● Procedural

- Develop addendum to Joint Action Plan on 2011 Goals and Governance
- Reduce full GCF meetings to 1 per year
- Convene technical workshops
- Push additional resources to the GCF states/provinces to facilitate more inter-state coordination (e.g., Brazil and Indonesia coordination)
- Organize GCF COP-17 event
